Jefferson Patterson Park & Museum as they welcome back Children's Day on the Farm. Mixing classic favorites and new attractions, the event is free and offers a wide range of hands-on activities and demonstrations centered on Southern Maryland rural traditions.

Children's Day on the Farm features opportunities for visitors to learn about, and try their hand at, many traditional rural skills like corn shelling, butter churning and weaving. Enjoy petting farms set up by local farmers and 4-H Clubs. Oxen cart and pony rides will round out this day of barnyard fun.

Antique tractors, cars, trucks and farm machinery will be on display throughout the day. Little barrel train rides, pedal tractors and small engines complement the antique equipment. And no Children's Day on the Farm is complete without the antique tractor parade!

Musical performances and live children's entertainment will take place throughout the day. Enjoy Blue Sky Puppet Theater, Horn's Punch and Judy Show, Ken the Magician and more.

Children's Day on the Farm will be held rain or shine. For more information on this event or other activities at Jefferson Patterson Park & Museum, call 410-586-8501 or visit www.jefpat.org.
