### **Portion of Chaneyville Road to be Closed for Bridge Replacement**

**PRINCE FREDERICK, Md. – December 18, 2008** – A portion of Chaneyville Road in northern Calvert County will be closed beginning December 22, 2008, as crews work to replace an aging bridge over Graham Creek near the Patuxent River.

The road will be closed for approximately 500 feet on both sides of the bridge, and property access from Chaneyville Road will not be affected. The project is scheduled to be completed by November 2009.

A new two-span continuous laminated timber bridge will replace the existing structure. The project also includes work on 400 feet of roadway approaching the bridge.

Signs with information on alternate routes will be in place along MD Route 4. Motorists may use Chaneyville Road to reach points north of the bridge or Lower Marlboro Road to reach points south of the bridge.

For more information, contact the Calvert County Department of Public Works at 410-535-2204 or e-mail [Public.Works@co.cal.md.us](mailto:Public.Works@co.cal.md.us).
