Caution and safety are still encouraged

Marylanders, particularly those who are older and more vulnerable, are advised to continue staying home as much as possible.

Employers should continue to encourage telework for employees when possible.

Avoid gatherings of more than 10 people.

Continue washing hands often, wear cloth masks and frequently sanitize high-touch areas.
Guidance

Certain personal services like beauty salons, barbers and nail salons must offer services by appointment only, with adequate cleaning between customers and at only 50% capacity.

Retail establishments must not exceed 50% of the allowable occupancy per local fire code with curbside pickup and delivery strongly encouraged.

Face coverings and social distancing must be maintained for these businesses.

Signage should be posted at the doors.
